---

**no 1/2018**

Information about articles printed in the Journal can be found in the following three renowned databases:

- Index Copernicus – the international specialized platform promoting scientific achievements, and supporting national and international collaboration between scientists, publishers of scientific journals and R&D units;
- BazTech – bibliographic and abstract database about Polish technical journals, in which articles from selected Polish journals in the field of technical sciences and environmental protection are stored;
- TEMA (Technology and Management) WTI-Frankfurt eG, Frankfurt am Main.

Articles are reviewed by reviewers constantly cooperating with the Journal. Their names are listed on the website of the Journal: [www.jmcm.itee.radom.pl](http://www.jmcm.itee.radom.pl)
